## Hazardous Waste Annual Report Code List

EPA REQUIRED CODES INCLUDE: SOURCE CODES (G), WASTE MANAGEMENT CODES (H), and FORM CODES (W) \* INDICATES CHANGED IN 2013  
STATE REQUIRED CODES INCLUDE: DISPOSAL (D), HANDLING (H), STORAGE (S), TREATMENT (T), SUBPART X (X)

| G CODE SOURCE CODES - EPA                          |                                                               | H135 DISCHARGE TO SEWER/POTW/NPDES WITH PRIOR STORAGE |                                                          |
|----------------------------------------------------|---------------------------------------------------------------|-------------------------------------------------------|----------------------------------------------------------|
| OTHER INTERMITTENT EVENTS OR PROCESSES             |                                                               | RECLAMATION AND RECOVERY                              |                                                          |
| G11                                                | DISCARDING OFF SPEC OR OUTDATED CHEMICALS / PRODUCTS          | H010                                                  | METALS RECOVERY INCLUDING RETORTING, SMELTING, CHEMICAL  |
| G12                                                | LAGOON OR SEDIMENT DRAGOUT AND LEACHATE COLLECTION            | H020                                                  | SOLVENTS RECOVERY                                        |
| G13                                                | CLEANING OUT PROCESS EQUIPMENT                                | H039                                                  | OTH RECOVERY:ACID REGENERATION, ORGANICS RECOV(SPECIFY)  |
| G14                                                | REMOVAL OF TANK SLUDGE, SEDIMENTS OR SLAG                     | H050                                                  | ENERGY RECOVERY THIS SITE- FUEL USE- ALSO FUEL BLENDING  |
| G15                                                | PROCESS EQUIPMENT CHANGE-OUT OR DISCONTINUATION               | H061                                                  | FUEL BLENDING PRIOR TO ENERGY RECOVERY AT ANOTHER SITE   |
| G16                                                | OIL CHANGES AND FILTER OR BATTERY REPLACEMENT                 | STORAGE AND TRANSFER                                  |                                                          |
| G19                                                | OTHER ONE-TIME OR INTERMITTENT PROCESSES (SPECIFY)            | H141                                                  | STORAGE/BULKING TRANSFER OFF SITE-NO TREATMENT/RECOVERY  |
| POLLUTION CONTROL / WASTE MGMT PROCESS RESIDUALS   |                                                               | W CODE FORM CODE - EPA                                |                                                          |
| G21                                                | AIR POLLUTION CONTROL DEVICES- BAGHOUSE DUST ETC              | INORGANIC LIQUIDS                                     |                                                          |
| G22                                                | LABORATORY ANALYTICAL WASTES - USED CHEMICALS                 | W101                                                  | VERY DILUTE AQUEOUS WASTE CONTAINING > THAN 99% WATER    |
| G23                                                | WASTEWATER TREATMENT - SLUDGE, FILTER CAKE ETC                | W103                                                  | SPENT CONCENTRATED ACID                                  |
